Carl:

This is to confirm our recent conversation about the DDS&T presentation at the next Mid-career Course. I have confirmed with [REDACTED] (acting for [REDACTED]) that DDS&T will give its usual presentation to the Midcareer Course [REDACTED] on Tuesday, 13 February. I further indicated to Frank that you would be prepared to start your talk at 0900, which means a wheels-up time from National Airport at approximately 0800. The entire day will be exclusively for DDS&T, including the evening panel session.
